

SD[®]400 & SD[®]800

Powerful // Reliable

Demanding formulations need a dispenser that delivers. SD[®]400 and SD[®]800—two of our large output dispensers—build confidence through consistent and reliable performance. Designed to work with anything from liquid soaps and lotions to hair products, SD400 and SD800 set the stage for a positive dispensing experience every time.

SD[®] 400 & SD[®] 800

Consistent dispensing for even the most challenging formulations

- Compatible with highly aggressive formulations
- Extremely low profiles require no special shelf heights when stacking
- All head styles and most configurations are available in lock-up (open) or lock-down (closed) positions
- Completely leak-proof dispensing system
- Restrictor clips available to meet your desired output
- Closures greater than 70mm available with off-center punch
