Sophisticated // Sensorial

Orchestra® is a compact, low-profile fragrance pump designed to not only deliver a more sophisticated spray, but to also enhance the entire sensorial experience. Available in a variety of sizes and options—and featuring our patented NoC® invisible dip tube—Orchestra works in harmony with your packaging to create a more premium experience that surprises and delights your consumers.
Convey a harmonious brand experience with sophisticated dispensing

- A finer, more uniform spray pattern for an elevated sensorial experience
- A more uniform fan that prevents spinning motions when the spray leaves the orifice
- Available with our patented NoC® invisible dip tube to increase the perception of premium quality
- One of the lowest-profile pumps in the market with a low actuator height for greater aesthetic appeal
- Flexible and fast service
- A wide array of options guaranteeing a fast solution that meets stringent requirements
