

MK™

Precision // Performance

Meet MK™—a fine mist sprayer designed to deliver precision dosing and superior spray performance. With its excellent priming, atomisation and clean output, it delivers an effortless spray experience for consumers. At the same time, its wide range of adapters and pharma GMP cleanroom manufacturing deliver the flexibility, efficiency and security brands require.

A better dosing experience for your Rx and OTC medications

- Outstanding performance and dose accuracy
- Accurate priming for OTC or Rx formulations
- All pharma-grade materials comply with European and U.S. regulations
- Compliant with U.S. FDA nasal guidelines
- Drug Master File DMF #12223
- Standard white colour; other colours available upon request
- Available with shipping clip for various sizes and outputs
- Available with protective hood for nasal adapters in custom colours
