

MeaSURE™ 2

Increased Accuracy // Zero Mess

Ideal for a range of applications, the all-new MeaSURE™ 2 delivers improved dosing accuracy while complying with ISTA-6A to meet e-commerce demands and strengthen sustainability. Powered by an innovative engine allowing the closure to serve a variety of formulas, MeaSURE™ 2 also employs an added silicone valve to eliminate mess and leakage. Whether dispensing concentrates for laundry, home and garden, personal care or beyond, MeaSURE™ 2 is designed for the accuracy and cleanliness needed to achieve your brands' goals.

MeaSURE™ 2
