

Lid-on-Pouch

Functional // Convenient

Our Lid-on-Pouches for wet wipes combine convenience and functionality. The robust lid is easy to open and reclose with just one hand, offering optimum convenience for the consumer. The lid's secure sealing functionality prevents wipes from drying out. The elegant designs enhance shelf appeal, giving the pack a premium look. These lightweight, polypropylene Lid-on-Pouches are fully recyclable in standard waste streams. They are a perfect solution for everyday personal care or home care.
