

SP22 & SP22 Panache Pulse

Envelop // Enchant

When spray consistency, smooth actuation and a luxury feel are essential, SP22 delivers. This sophisticated sprayer is designed for a full array of beauty care formulations, from dry oils, facial mists, body moisturizers, hair treatments, deodorants and more. With the SP22 Panache Pulse option, you can elevate consumers' beauty rituals with a gentle, enveloping spray of micro-droplets that caress the skin. Reveal the full qualities of your beauty and skincare products with an ultra-luxurious spray experience.

SP22 & SP22 Panache Pulse

Resilient performance. Luxurious experience.

- Luxurious and versatile
- Available in a wide array of configurations
- Low minimum order quantities
- SP22 SR: superior resistance engine for aggressive formulations (oil, biphase)
- SP22 Panache Pulse: luxurious, ultra-airy and enveloping spray ideal for facial mists
