SILGAN DISPENSING

Sinfonia® Elegance

Spray and Crème Formats

Sinfonia® Elegance

Tailored // Delicate

Refined performance, tailored for spray and crème applications

Sinfonia® Elegance brings refined performance and exceptional versatility together in one customizable platform. Its quiet, gentle actuation provides an effortless consumer experience, while spray and crème formats allow brands to select the dispensing performance best suited to their formula and application. With extensive options across heads, closures, overcaps and outputs, Sinfonia® Elegance can be customized to create a distinctive experience across beauty, personal care and home fragrances.

Key Features

- Soft, noise-free actuation
- Widest range of customization for a result that is distinctively yours
- SR Engine option: Superior resistance for aggressive formulations
- Available in POM-free
- Available in Clear PP PCR

Spray Features

- Superior pre-compression for liquid and viscous formulations
- Customizable spray patterns and outputs
- Infinite output: elongated, voluminous ultra-fine mist
- Applications: body mist, deodorant, face mist, hair mist, air freshener

Crème Features

- Targeted, precision dosage
- Broad range output from low (50 µL) to high (190 µL)
- Applications: skincare, haircare, suncare, makeup
